Purpose and scope

This overview explains the main fictional workplace-service channels and ownership boundaries.

Service rules

- WorkplaceHub is the main request portal.
- The Service Centre operates from 08:00 to 18:00 on business days.
- Finance, People Operations, Security, and Facilities maintain separate approval queues.
- Employees should use an existing case thread for follow-up.

Standard procedure

1. Choose a service category in WorkplaceHub.
2. Provide the business purpose and cost centre when requested.
3. Attach only documents relevant to the case.
4. Monitor the case owner and service target in the portal.

Exceptions and escalation

- Security incidents use the urgent reporting channel.
- Requests involving restricted employee or partner records require role-based authorization.

Records and retention

General service cases are retained for 24 months unless a longer finance, legal, or security schedule applies.
