Purpose and scope

This process covers ordinary purchasing requests before a supplier commitment is made.

Service rules

- Requests of €2,500 or more require at least two comparable quotations.
- A purchase order must be issued before the supplier begins work.
- The request owner supplies the cost centre and business justification.
- Procurement performs sanctions and conflict checks for new suppliers.

Standard procedure

1. Create a Procurement Request in WorkplaceHub.
2. Describe the requirement and expected delivery date.
3. Attach quotations and identify the preferred supplier.
4. Wait for the purchase-order number before confirming the order.

Exceptions and escalation

- Emergency purchases require written Finance approval and retrospective Procurement review.
- Splitting a purchase to avoid an approval threshold is prohibited.

Records and retention

Procurement files are retained for seven years after contract completion.
