Purpose and scope

This guide covers booking an inspection or repair for eligible fictional appliances.

Service rules

- Standard appointments are offered within five business days.
- The serial number and CareTrack reference are required.
- Customers receive a two-hour arrival window on the preceding day.
- A safe-access area around the appliance is required.

Standard procedure

1. Open Repair Service in CareTrack.
2. Select the product and describe the fault.
3. Choose an available appointment.
4. Confirm contact and access details in the authenticated form.

Exceptions and escalation

- Gas smells, smoke, or exposed wiring require immediate disconnection when safe and emergency guidance.
- Missed appointments may require rebooking.

Records and retention

Repair records are retained for seven years for service history.
