Purpose and scope

This procedure covers non-emergency repairs in fictional Northbridge residences.

Service rules

- Routine requests are acknowledged within one business day.
- The normal attendance target is three business days.
- Residents may select a morning or afternoon access window.
- Water leaks, exposed wiring, and loss of heating are treated as urgent.

Standard procedure

1. Open Housing Maintenance in CampusDesk.
2. Select the building and room from the authenticated profile.
3. Describe the fault and attach a photograph when useful.
4. Choose an access window and monitor the case thread for updates.

Exceptions and escalation

- For an immediate danger, leave the area and call Campus Safety.
- Residents should not attempt electrical or plumbing repairs themselves.

Records and retention

Maintenance cases and contractor notes are retained for 24 months.
